Source of information: Network SIMS Database. Date of Preparation: May 2007. Race: The categories are from the CMS-2728 Form.

This table cannot be compared to the CMS facility survey because the CMS Facility Survey is limited to dialysis patients receiving outpatient services from Medicare approved dialysis facilities. The numbers may not reflect the true point prevalence due to different definitions for transient patients.

This table includes 58 patients receiving treatment at VA facilities. This table includes 8 patients receiving treatment at a military facility.
