

Northwest Renal Network

State and County H1N1 (Swine) Flu Hotlines and Web Pages

Washington State: (no hotline #)

Dept. of Health- <http://www.doh.wa.gov/swineflu/default.htm>

* This link also contains translations of the CDC swine flu fact sheet in English, Spanish, Chinese, Korean, Vietnamese and Russian.

For health professionals

- Information about reporting swine flu cases and submitting samples to laboratories - <http://www.doh.wa.gov/ehsphl/Epidemiology/CD/swineflu/sfluresources.htm>

* State Health Dept spokesman says the state lab in Shoreline will be equipped to confirm swine flu cases by next week. Until then, please follow directions of the state laboratory protocol found on the above link. This should reduce confirmation time to a day.

Suspected cases in the following counties as of 4/30/2009

King County Dept of Health – <http://www.kingcounty.gov/healthservices/health/preparedness/pandemicflu/swineflu.aspx>
