

Northwest Renal Network Patient Advisory Committee (PAC)

**Use Your Experience
As a Patient To
Help Others!**

Northwest Renal Network has a volunteer patient position open on its Patient Advisory Committee (PAC).

The Network's PAC is a group of energetic patient volunteers who provide input into the activities of the Network.

PAC members have the opportunity to:

- Discuss the concerns of patients
- Review and create educational materials for patients
- Learn and participate in efforts to improve the lives of kidney patients
- Provide input into various activities that impact kidney patients
